Government sanctioned the retentionfor a further period of two months from 14th April 1928, the staff noted in the margin.

1 Tahsildar 3. Revenue Inspectors 5 clerks 5 peons	This period expires on 13th June 1928.

2. The progress report received from the Special Loans Tahsildar for the period ending 31st May 1928 shows that there are still 567 cases where loans were granted but the works have not been executed. These have to be inspected by the Revenue Inspectors and overchecked by the Special Loans Tahsildar. Besides this item of work, other miscellaneous items of filing the completion reports with the connected records in 669 cases and indexing of records have yet to be done. The minimum period within which these items can be completed is 30th June 1928. I do not propose to recommend the extension of the staff further if the Taluk of Siruguppa is to be formed with effect from 1st July 1928. In case this question is postponed beyond that date, there will be sufficient reason for extending the staff including the Loans Tahsildar till 30th September 1928. I shall, however, in the meanwhile, obtain fuller particulars from the Revenue Divisional Officer, Bellary and send up further proposals if I consider the extension of the staff absolutely necessary beyond 30th June 1928.

3. For the present I request that the existing temporary staff may be retained till 30th June 1928. In case, the extension proposed is not viewed with favour, orders may kindly

be sent by wire so that the staff may be disbanded.
